

193A—10.8(542) Grounds for discipline. A licensee or an applicant is subject to discipline, including permanent revocation, if the licensee or applicant provides false information to the board in connection with an application to renew or reinstate a certificate or license. A licensee or an applicant is also subject to discipline if the licensee or applicant is unable to document the continuing education hours reported to the board in connection with an audit or other request for documentation. False information of this nature will subject the licensee or applicant to discipline whether the false information was supplied intentionally or with reckless disregard for the truth or accuracy of the number of hours claimed. Licensees and applicants are accordingly cautioned to supply the board with accurate continuing education information.
